

DRAFT PROGRAM FOR THE REGIONAL WEBINAR SERIES ON THE 16TH OCTOBER 2026

6:00 – 6:10	Welcome & framing talk	Why information integrity matters for East African youth networks; what the session covers
6:10 – 6:15	Opening case: “Would you share this?”	A viral claim is shown without context; participants react before the lesson on false context is introduced
6:15 – 6:20	Misinformation, disinformation, malinformation	Definitions, examples, and the broader idea of information integrity
6:20– 6:30	How information gets manipulated	False context, recycled content, selective editing, misleading headlines, AI-generated content
6:30– 6:50	Politics, elections & framing	Kenya's 2017 and 2022 elections and 2024 Gen Z protests; the same headline told three ways
6:50 – 7:00	Regional comparison & PCVE linkages	Brief Uganda and Tanzania examples; the grievance → narrative → mobilisation pathway
7:00– 7:10	Verification exercise	STOP → TRACE → CROSS-CHECK → CONTEXT → DECIDE, applied live to the opening case
7:10 – 7:20	AmaniCheck demonstration	Live walk-through of the opening claim inside AmaniCheck; discussion of the tool for the region
7:20– 7:30	Q&A	Open floor for the EU YPS Networknetwork
7:30– 7:50	Youth Information Integrity Pledge & close	Collective commitment and closing message
